

NOTICE OF COMMUNITY REVIEW

PROJECT REVIEW MEETINGS

Notice is hereby given that a first Community Project Review Meeting will be held by the University of California, Riverside at a new location on campus for the following project:

PROJECT: RUSD STEM High School

APPLICANT: Riverside Unified School District

ARCHITECT: Ruhnau Clarke

PROJECT CONTACT(S):

Ana Gonzalez
Director II, Planning Development
Riverside Unified School District
(951) 788-7496 x84003

Thomas Toepfer, Interim Executive Director
UCR Real Estate Services
(951) 827-2682

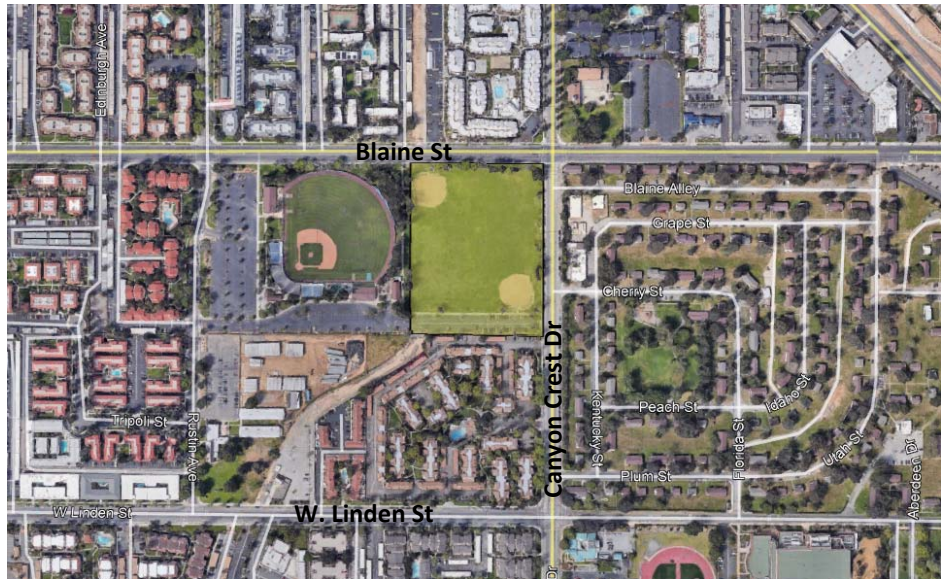

Stephanie Tang, Campus Environmental Planner
UCR Planning, Design & Construction
(951) 827-1484

LOCATION: Proposed site located at the southwest corner of Canyon Crest Drive and Blaine Street in the City of Riverside.

DESCRIPTION: The Regents of the University of California, on behalf of UC Riverside are partnering with the Riverside Unified School District (RUSD) to propose a ground lease of University-owned land (see site location map) on East Campus for the purpose of constructing a new RUSD STEM High School serving grades 9 through 12. The school will serve approximately 800 students who are pursuing their interests and aptitudes in areas of science, technology, engineering and mathematics.

OBJECTIVES: The High School will consist of classrooms, administrative offices, a multi-use discovery center, fabrication lab, food service, lecture facilities, a fitness center, outdoor learning areas, and associated parking.

ENVIRONMENTAL DETERMINATION: This project, including the change in the site Land Use, will be subject to an Environmental Impact Report (EIR) under the California Environmental Quality Act (CEQA), tiered from the existing UCR Long Range Development Plan (LRDP) EIR.

SITE LOCATION MAP

COMMUNITY PROJECT REVIEW MEETING NO. 1

Wednesday, November 6, 2019 6:00 pm

UC Riverside University Extension Center (UNEX)
Conference Rooms D & E
1200 University Avenue
Riverside, CA 92507

The meeting will feature a Community Project Review Meeting presentation and a public comment opportunity followed by interaction with the project team.

UCR and RUSD have set up informational websites that include answers to frequently asked questions from both the Riverside community and the UCR campus community. To learn more about the project, please visit:
